Maharishi School Graduation Requirements are as follows:

4 years English, 4 years Mathematics, 4 years Science, 3 years Social Science, 2 years Spanish, 4 years Science of Creative Intelligence, 1 Unit each of Computer Science, Art, 6 Units Electives, 4 years Physical Education or Sport

*Maharishi School offers a rigorous college preparatory curriculum. Honors Level is available for most courses.

* Courses offered are based on a fixed curriculum each year. Students must pass all courses in order to graduate. Courses are subject to change.

*Maharishi School has a quarterly block system in which students study four subjects per day.

*One semester of academic work (.5 credit) is completed in one quarter of the academic year. 1.0 credit earned is equivalent to one year's work.

* Ten hours of community service per year in grades nine through twelve is a graduation requirement of Maharishi School.

*Application and acceptance to at least one four year college or university during the senior year is a graduation requirement of Maharishi School.

* GPA is based on an unweighted 4.0 scale; Maharishi School does not rank students.

*Transfer student graduation requirements will be assessed on an individual basis.
